

Dear Parents/Guardians,

EYFS are currently doing project called '**A Step in Time**' and for this we would love your support.

On **Wednesday 28th January** we have Sarah B (A professional biscuit maker) coming to school to do a workshop with the children. For this to be able to take place we are asking for a **£2.50** donation from each child. This will mean each child will be able to professionally decorate a biscuit with Sarah for the **Grandparents Tea Party on Thursday 29<sup>th</sup> January**, where a Grandparent/older family member will be invited into school to celebrate with us.

Information and pictures of biscuits made by Sarah are on her website. She does some fabulous workshops at her home and other locations too!
