

We'll Meet Again

After immersing ourselves in the trenches of WWII and discovering what life was like during war time, your next mission is to recruit more support for your country.

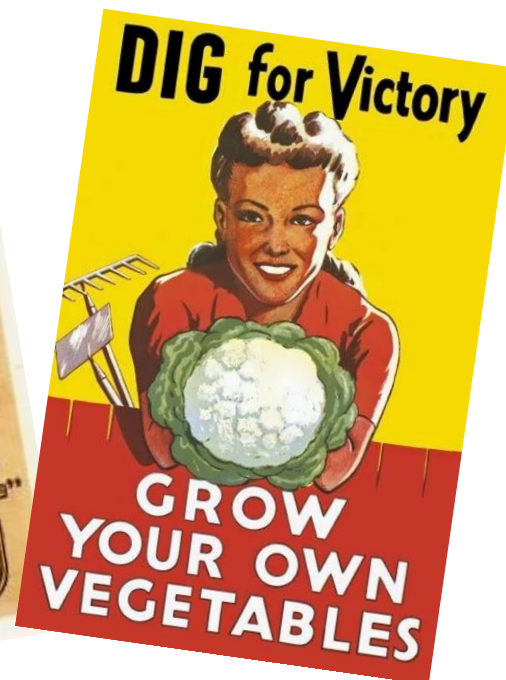

As historians, you are challenged to create your own WWII poster i.e. your country needs you, dig for victory etc.

As historians, you may like to:

- Research different WWII posters
- Exploring what the posters looked like
- Research what the purpose of the posters were

You will have an opportunity to share your home learning with your class. Your poster will then be displayed in the Year 6 corridor ready for our own VE day celebrations.

Please bring in your completed home learning by **Monday 13th July.**

VE Day - **Tuesday 14th July** - more details to follow
