We are delighted to welcome new colleagues to our teaching team and are confident that all children will continue to receive the high-quality teaching, care and support they deserve.

Your child will spend time with their new class on Monday 20th July in the morning where they will take part in activities to help them feel secure and happy about next academic year. All children's assessments are kept electronically and are automatically transferred to their next teacher to ensure academic progress is maintained. In addition, teachers will be meeting to transfer information about your child.

Thank you for your continued support throughout the year. We are proud of all that the children have achieved and look forward to welcoming everyone back in September for another successful year.

Should you have any questions, please do not hesitate to contact the school office.

Yours sincerely,
