

Change of Contact details

13th February 2026

Dear Parents and Carers

I trust this message finds you well. We wanted to inform you of an important update regarding our communication systems at Hill View Primary Academy.

To streamline our communication channels and enhance efficiency across Reach South Academy Trust we are implementing a new email system for Hill View. Starting Monday 16th February 2026, all email addresses associated with Hill View Primary Academy will be standardized.

This change aims to create a more organized and professional email structure, making it easier for parents to communicate effectively. We believe that this standardization will contribute to a smoother flow of information within our school community.

As previously there is a dedicated email address, reception@hillviewacademy.org , to serve as the primary point of contact for all enquiries, administrative matters, and urgent communication.

If you have any questions or concerns about this transition, feel free to reach out to our school office at reception@hillviewacademy.org , or contact us directly at 01202 514109. We appreciate your cooperation and understanding as we work towards enhancing our communication systems for the benefit of everyone involved.

Thank you for your continued support in fostering a positive and collaborative environment at Hill View Primary Academy.

Warm regards,

Hill View Primary Academy
