

Dear Parents and Carers,

On the week beginning 29th June the whole school will be participating in arts and cultures week. Our overall focus for the week is our planet, and we will be using the inspiring book called *'Here we are,'* by Oliver Jeffers as our focus. During this week the children will participate in a wide range of English, Art, DT and Music activities as well as spending time delving deeper in to global issues such as; sustainability and global warming. The week will culminate in a whole school parade of work to each other. The children's work will be on display for parents and carers at the Family Festival on **Friday 3rd July**.

With this in mind, we would like to request your support in providing some of the sustainable art materials that the children will be using.

We need:

- Newspapers
- Clear plastic bottles or clear plastic packaging e.g fruit containers
- Plastic bags
- 2 litre plastic bottles
- Plastic lids from bottles
- Smaller 500ml bottles
- Any old shoes (any size)
- Old unwanted clothes or fabrics
- Cereal boxes or thin card products (easy to cut card)

Specific year group items:

Year R all need an old shirt (oversized/adult size) to wear over their clothes for painting

Year 1 children all need a 2/3 small shells each

Year 3 children bring in some petals or leaves

There will be large boxes out on the playground each day from **Monday 15th June** to place your items in (if it is raining these boxes will be in the summer hut). Any specific items for year groups please send them in with your child.

Many Thanks

Miss Homer, Mrs Baker, Mrs Ponchaud, Mrs Trenary and Mr Lathwell
