
RSE Consultation 2026

Dear Parents and Carers,

As a SCARF school, we are committed to working in partnership with parents to support children's wellbeing, relationships and preparation for life in the modern world. We are therefore inviting parents and carers to take part in a short online survey to share their views and experiences of Relationships Education (RSE) at our school.

We have been using the SCARF (Safety, Caring, Achievement, Resilience and Friendship) programme for the past five years and already deliver an age-appropriate Relationships and Sex Education programme that is carefully planned to meet the needs of our pupils. Our approach ensures children learn about healthy relationships, personal safety and wellbeing in a sensitive and developmentally appropriate way.

For more information regarding the Relationships Education (RSE) curriculum we are delivering at school, please use the link to view our current RSE Policy.

Recent updates to statutory guidance have very little impact on our current practice, as our existing provision already aligns closely with these expectations. However, we value parental voice and want to take this opportunity to better understand:

- What you already know about our RSE provision
- How you feel the school is doing
- How we can best support you in your role at home

Your feedback will help us reflect on our practice, strengthen home-school partnership and ensure our provision continues to meet the needs of our community.

We would be grateful if you could complete the survey using the link below:

 <https://forms.cloud.microsoft/e/CLSgmPW1JD>

Thank you for taking the time to share your views and for your continued support.

Yours sincerely,
Miss Buckland
