Reach For The Stars

Newsletter No.39

Dear Parents and Carers

As we reach the end of another busy and successful school year, I would like to take this opportunity to thank you for your continued support, encouragement and partnership throughout the year.

Looking back, we are proud of all that our children have achieved. Whether in the classroom, on the sports field, through musical performances, educational visits or the many other opportunities offered throughout the year, our pupils have demonstrated resilience, kindness and a positive approach to learning. Their achievements are the result of their hard work and the support they receive both at school and at home.

This year has brought many opportunities for learning, growth and achievement. We have seen children develop new skills, gain confidence and make progress in many areas of school life. It has been rewarding to see them engage with new experiences and challenges throughout the year.

I would also like to thank the staff team for their positivity, hard work and commitment to the children's wellbeing and learning.

To our Year 6 pupils, who will soon be leaving us to begin the next stage of their education, we offer our warmest congratulations and best wishes. We are proud of all they have achieved during their time with us and know they are well prepared for the opportunities and challenges ahead.

As we begin the summer holiday, I hope that all our families have the chance to relax and enjoy some time together. We look forward to welcoming our children back in September, ready for another year of learning and opportunity.

Thank you once again for your ongoing support. We value the strong partnership between home and school and appreciate all that you do to support your children's education.

I wish you all a safe and enjoyable summer break.

Miss Buckland
Headteacher

Week Commencing 31st August 2026

Monday 31st August – Bank Holiday

Tuesday 1st September – Inset Day

Wednesday 2nd – INSET Day

Thursday 3rd – Inset Day

Friday 4th September - Whole School

Pupil Absence

If your child is going to be absent from school, please inform the school office:

Tel: 01202 514109

E-mail: reception@hillviewacademy.org

Office open hours:

8.30am – 4pm. Mon – Fri. Term-time only

If leaving a message or sending an e-mail, please give the child's name & class. We are required to record the **reason for any absence**. [Please let us know your child's specific symptoms](#) e.g. temperature, cold/flu symptoms, vomiting etc.

The [NHS website](#) has advice regarding keeping your child away from school if they are unwell

HOT SCHOOL MEALS

The cost of a hot school meal will be
£2.80 from September 2026

RESIDENTIALS

Year 6 Fort Purbrook

Last week our Year 6 children went off on their residential to Fort Purbrook.

We were blessed with glorious sunshine as we left and the children were very excited when they arrived. We had a quick tour of the grounds and had some lunch, and then it was straight into activities.

All week the children took part in a range of fantastic activities. Every child took part in the water sports activity where they learnt how to kayak down a canal. They also learnt how to 'raft up' with some interesting results! At the end, lots of children had the opportunity to jump in which was much appreciated in the heat!

They also tried their hand at bushcraft where they learnt how to make fire and then enjoyed some smores. Bouldering was a fan favourite and the children loved challenging themselves to climb different levels of difficulty – they really pushed themselves to go above and beyond. The week whizzed by with laser tag, archery, orienteering, string trail – just to name a few!

In the evenings, we got together as a year group and enjoyed more activities. Protect the balloon was a hit. The children worked in teams to build a protective structure for their water balloon. The real fun came when we tested them! There may have been some wet children by the end! We also enjoyed a delicious BBQ on our last night with ice creams and slushies to cool us down. We then headed to campfire where we sang our hearts out.

We had the BEST time and the children were amazing. The Year 6 team would just like to also take this opportunity to say a huge thank you to all the Year 6 children and we wish them all the best for their future.

Team 6

Well done to the following Year 6 children who have been awarded the **Master Mathematician Badge**.

They have worked through many mathematical challenges, demonstrating excellent reasoning and problem solving. We are very proud of you all!

Hooke Court – A Perfect End to an Incredible Year

Our residential visit to Hooke Court was the perfect way to round off what has been an unforgettable year together. From shelter building and Forest School activities to the mud run, low ropes, orienteering and evening adventures, the children embraced every challenge with enthusiasm, resilience and huge smiles.

Throughout the trip, they represented our school brilliantly. Their kindness, manners, teamwork and willingness to step outside their comfort zones made us incredibly proud, and they were a credit to themselves and their families.

We have loved every moment of this year with such a phenomenal group of children, and we couldn't have asked for a better way to celebrate the end of their primary school journey. It was a truly special experience that created memories to last a lifetime – even if we all came home a little sleep-deprived!

Here's what some of the children had to say:

"It was really fun and I would definitely do it again. My favourite part was the mud run." – **Maisie**

"It was a fun and exciting experience. I liked the ability to be independent, and my favourite activities were low ropes and orienteering." – **Leo V**

Thank you to all the staff who made the trip possible and to our families for their support. It was a wonderful way to end an amazing year, and we wish our Year 4 children every success as they begin their next adventure in Year 5.

What a year it has been, we have raised so much money for the school and had so much fun doing it! The Adventure Playground is being upgraded and the sensory garden is well underway. We've played bingo, read stories, had a fabulous disco and enjoyed our summer festival extravaganza!

We are sad this year to be saying goodbye to a number of PTFA members including our amazing Chair Rachel Herring - Rachel we can't thank you enough for your leadership and vision during your time as Chair and we are so grateful for your 9 years volunteering your time and energy to raise money for all the children in the school to benefit from. We wish you all the best for the future but please know you will always have an open invite if we need cocktail testers!

We will also be saying goodbye to the wonderful Jen, Nickie & Michelle who have kept us (sort of) on the straight and narrow until now, we're so grateful for all you have done!

If you would like to join our amazing team next year - for as much or as little as you can manage, please think about attending:

Coffee and Cake with the PTFA from 7.30pm on the 7th of September

Or
PTFA AGM at 7.30pm on the 14th September

Both events will be at the school, so no getting lost! No mandatory commitment.

Uniform Preloved & NEW!

We have a wide range of stock available of new Uniform to purchase from us. Please see our updated price list below or by [clicking here](#) to view on the school website.

Hill View Uniform Price List

The Dream Snatcher – Abi Elphinstone

Twelve-year-old **Moll Pecksniff** wakes one night in the middle of the forest, lured there by a recurring nightmare - the one with the drums and the rattles and the masks. **The Dreamsnatcher** is waiting. He has already taken her dreams and now he wants her life. Because Moll is more important than she knows... The Oracle Bones foretold that she and **Gryff**, a wildcat that has always been by her side, are the only ones who can fight back against the Dreamsnatcher's dark magic. Suddenly everything is at stake, and Moll is drawn into a world full of secrets, magic and adventure.

FREE SCHOOL MEALS – UPDATE – Please read

There have been changes in the funding and rules have changes.

If you currently receive Free School Meals, you must re-apply as funding will stop for your current application on 31st August 2026.

You can apply online for free school meals, please see link [complete an application](#) to ensure correct funding is received where it is due. This is especially important for children in Reception, Year 1 and Year 2, who already receive universal free school meals, but may not be attracting the additional funding that they would if they complete this application.

May 2026

Dear Parent/Guardian,

Re: Free School Meal Eligibility Changes for the new Academic Year – 2026/27

Free School Meals Transitional Protection will be ending at the end of the current school year, and you will need to reapply if you meet the new criteria.

From the start of the 2026 to 2027 Academic Year, the Government plans to expand access to Free School Meals to all children and young people from households receiving Universal Credit, and there will be 2 categories of eligibility.

Eligible Targeted: this covers children in households in receipt of Universal Credit with annual household earnings of £7,400 or less. These children will attract Pupil Premium and other disadvantage funding for their schools. Other education entitlements, such as the Holiday Activities and Food program (HAF) and the 'extended rights' element of School Transport Assistance will be based on the Targeted Free School Meals.

Eligible Expanded: this covers children who are in households receiving Universal Credit with annual household earnings exceeding £7,400. These children will be entitled to Free School Meals only.

Due to these changes, everyone will be required to reapply, from 1st June 2026. We strongly recommend applying online as early as possible to allow for your application to be processed in readiness for the new Academic Year. You can apply online via the BCP Council Free School Meals webpage: [Free school meals | BCP](#)

If you are unable to apply online, you can obtain an application form from either your child's school or by contacting us directly, our details can be found at the top of this letter. Please ensure that you complete application forms in full and in block capitals to avoid delays in processing.

Please note, applications for the next Academic Year, are unlikely to be processed within our standard 3-5 working day timeframe as a result of the number of applications we will be receiving during this time. Therefore, applicants may need to wait several weeks for a response.

Please note, if your child is currently receiving Free School Meals, their eligibility will continue to be protected until the end of the current school year regardless of the outcome of your new application.

Hill View Reception school meet up

New school meet up for reception children for 2026. Hillview! Children get to do a craft and 1 adult gets a hot drink for £5. Then 10% off for kids lunch box/ adult meal. Whilst you are here

Are you up for the Challenge?

The Ellis Edwards Foundation's **South Coast Bike Ride** kicks off this September with an unforgettable two-day challenge taking riders from **Newport in Wales** all the way to **Bournemouth on the south coast of England**.

Covering **over 150 miles**, this event brings people together through determination, community spirit, and the shared mission of raising money to support children who are grieving the loss of a sibling or parent.

You are invited to join our mission!

We'd love for you to join us! The experience begins on **10 September** with a pre-cycle dinner and overnight stay at The Celtic Manor (Newport, Wales) where riders meet, connect, and prepare for the challenge ahead. We start day one with breakfast at the famous 2010 Clubhouse before setting off.

Over the next two days (11 & 12 September), cyclists will take on a stunning cross-country route, and a **mid-journey overnight stop** in Frome, to rest, refuel, and recharge.

From Welsh valleys to English coastline, every mile ridden honours Ellis's legacy and helps fund the Foundation's vital work.

The ride **finishes in Bournemouth**, where your support crew, friends and family are invited to celebrate your achievements, and join us.

Why this matters...

This event isn't just a physical challenge - it's a powerful act of community spirit and determination in memory of Ellis and in support of bereaved children.

Each cyclist commits to:

- £500 minimum sponsorship, directly supporting the Foundation's mission
- £350 entry fee, covering 2-nights accommodation, catering and event logistics
- Being physically able to participate and completing a minimum 6-week training programme
- Providing all their own cycling equipment suitable for long-distance, clothing and safety gear.

Every contribution helps us support another family and offer a glimmer of light during their darkest days. The South Coast Bike Ride also aims to raise awareness of the help available to children and their families navigating the unimaginable

How do I sign up?

You can register for the South Coast Bike Ride in 3 easy steps:

Click 'sign me up' (below) to pay the registration fee

Complete the registration form (you'll be redirected once the fee is paid)

Join our fundraising team on [Just Giving here](#)

Whether you're an experienced cyclist or taking on your first long-distance ride, this event is about community, courage, and doing something extraordinary.

This is recommended as an adult-participant event, and we welcome cycle groups, solo cyclists, bike enthusiasts and anyone who likes a challenge! Together, we'll cross borders, push limits, and make a lasting impact.

Thank you for joining our mission!

Support over the summer

We know the summer holidays can bring both fun and challenges for families, especially when balancing work, childcare and family life. Following feedback from local families at our Supporters Forum, the MHST has created a Summer Support Leaflet packed with practical tips, activity ideas, and links to local and national support services. Whether you're looking for wellbeing advice, parenting support or useful resources, this leaflet includes recommendations from local families to help you feel more supported over the summer.

FAMILY COACHING

Relationship and Family Therapy (RAFT) Ltd. is offering a series of tailor-made workshops for parents and carers, funded by BCP Council. These sessions are delivered either online or at our centre in Bournemouth.

Our 6-stage coaching model provides a safe space for parents and carers to explore ways to meet their own needs and enhance their relationships.

WHAT DOES IT INVOLVE?
Our coaches use motivational interviewing techniques and evidence-based theoretical tools to help you to step back and assess the dynamics at home in a non-judgmental environment. They will listen and work with you to identify the differences and similarities of communication needs within the family.

To support you in getting the best out of your relationships, your coach will explore with you topics including:

- Self-care
- Self-compassion
- Communication skills (assertiveness, boundaries, conflict resolution)
- Drama Triangle
- Love Languages
- Stress and the brain

This programme is suitable for coupled parent/carer, single parent/carer and those who are co-parenting, with proven positive results. You can attend sessions on your own or with a partner.

HOW TO BOOK
01202 311231
Email us: office@raft.org.uk
Website: www.raft.org.uk

FAQ'S

IS THIS A FORM OF COUNSELLING?
No. Instead of delving into past experiences in counselling, family coaching is a short-term, forward-focused intervention to support you in meeting your own needs, whilst enhancing dynamics in the home.

CAN CHILDREN ATTEND?
Family coaching is for adults only. Separate counselling is available for children and young people.

WHAT INFORMATION IS SHARED?
RAFT's service is independent of the Local Authority. BCP Council will only be aware that you have accessed this service with your prior consent. This is your choice.

RAFT Family coaching helps families make radical and lasting change. Sound too good to be true? Don't just take our word for it. Here's what our parents and carers have to say...

"I found helpful ways to communicate and possible reasoning behind issues we struggle for years especially more recently due to neurodiversity in the house."

"My children are calmer, happier, more open to talking with us and spending time together. We have less arguments."

"We worked through a couple of important problems that were quite difficult for us to deal with on our own. We've also started making more time to talk with each other in the evenings."

"My husband and I spend more time supporting each other and we're spending more time with our son now. We can go out without arguing now and have a nice time."

"As a couple we understand each other's needs better, love languages was super helpful and the needs of our children better."

"The Drama Triangle was really helpful and we could see this play out at times which gave us the opportunity to make changes to our responses in certain situations."

"Our Coach was extremely knowledgeable, she was absolutely fantastic, sees things we don't recognise, tries different approaches and challenges us in a way that really works. She is curious and seeks improvements in areas we might have not seen before."

MENTAL HEALTH SUPPORT TEAM (MHST) IN SCHOOLS

MEET YOUR EDUCATION MENTAL HEALTH PRACTITIONER (EMHP)

JENNI PHILIPPS

WHAT IS AN EMHP?
An EMHP is an Educational Mental Health Practitioner. We are here to help children and young people and their school community with their mental health and wellbeing.

WHAT DOES AN EMHP DO?
We work 1-1 with students who need extra mental health support. We also offer staff training and support with difficulties within your classroom as well as running groups for students, parents and carers. We can send out information for you to help your students' mental health via email on a regular basis.

HOW DO I FIND OUT MORE?
