Reach For The Stars

Year 2 Update

The children in Year 2 have settled into the new school year brilliantly. They have worked hard to learn new routines and have shown a positive attitude towards their learning. We are very proud of how well they have adapted and the effort they are putting into their work every day.

In English, we began the term by looking at non-chronological reports about **Florence Nightingale, Rosa Parks and Thomas Barnardo**. The children enjoyed learning about these inspirational historical figures and exploring the features of information texts. More recently, we have started our new class text, **Traction Man is Here!** The children have loved following Traction Man's exciting adventures and are working towards writing their own adventure stories inspired by the book.

Reading continues to be a very important part of learning in Year 2. Your child should now have a reading log and will bring home two books each week: one **RWI book** and one **colour-banded book**. If your child is in the Rainbow group, they will also bring home a book; however, as they are working towards chapter books, these will not be changed weekly.

We kindly ask that you encourage your child to look after all books sent home and ensure that they are returned to school. RWI books are sent home on a Monday and should be returned by Friday. Shortly, the children will also begin bringing home a library book. Just a few minutes of reading each day can make a huge difference to children's confidence, fluency and comprehension. As we did last year, children who read regularly at home will be rewarded with entry into our **Golden Ticket** draw.

Year 2 continue....

In Maths, we have recently completed our first topic on **Place Value** and have now moved on to **Addition and Subtraction**. We will shortly be sending home your child's **Numbots** login details, and it would be wonderful if they could spend some time practising their number bonds using the app. We will be sticking these into the front of your child's reading log, so please ensure that reading logs are brought into school so that we can add them. If you are looking for another way to support maths at home, **Hit the Button** is also a fantastic game for practising key number facts.

Thank you for your continued support. We look forward to seeing the children's ongoing progress, growing confidence and enjoyment of learning throughout the year.

One of our first entries

Walk to School Month 2026

Paths to Picture Art Competition

October is **Walk to School Month**. Walking to school helps us stay active and notice the world around us. Let's create a picture from the beautiful things we discover!

You will need:

- An envelope
- An A4 sheet of card
- White School Glue
- A paint brush
- Optional - scissors

- 

Walk to school and use your senses: what can you see, hear and smell? Enjoy nature but stay aware of your surroundings and keep safe.
- 

Use an envelope to collect natural items you find on the ground (e.g. leaves, petals, small sticks). Don't pick flowers or harm living things.
- 

After the walk, lay out your items and notice the different shapes and colours.
- 

On an A4 piece of card, arrange your items to create a picture of anything you like. It could be something you saw or felt on the walk. Try layering your items and cutting into them with scissors.
- Use glue to stick everything down. Use tape for any tricky parts.
- Label your work with the walk date and your name. Admire your creation!

Hand in your creation to your teacher by **Monday 19th October** to enter the competition and have a chance to win a

The Wind In The Willows – Kenneth Grahame

Meet little Mole, wilful Ratty, Badger the perennial bachelor, and petulant Toad. Over one hundred years since their first appearance in 1908, they've become emblematic archetypes of eccentricity, folly, and friendship. And their misadventures-in-gypsy caravans, stolen sports cars, and their Wild Wood-continue to capture readers' imaginations and warm their hearts long after they grow up. Begun as a series of letters from Kenneth Grahame to his son, The Wind in the Willows is a timeless tale of animal cunning and human camaraderie
