Deadline: midnight on Mondays for the following week

Year 4: A Fantastic Start to the School Year!

What an incredible first half term it has been in Year 4! The children have made an exceptional start to the school year, demonstrating enthusiasm, curiosity and a real love of learning in all areas of the curriculum.

Our Roman topic has captured the children's imaginations from the very beginning. They immersed themselves in learning about Roman Britain, exploring what life was like during this fascinating period of history. In English, the children produced some fantastic persuasive letters and showcased their creativity through writing exciting portal stories inspired by our topic.

In Art, the children became Roman craftspeople, designing and creating their own Roman pots. We were incredibly impressed by the care, creativity and attention to detail shown in their finished pieces.

Science lessons have focused on the human body, digestion and dental hygiene. The children have enjoyed investigating how our bodies work and learning about the importance of looking after their health. We were fortunate to welcome a visiting dentist, who shared expert advice and helped the children deepen their understanding of oral hygiene and healthy habits.

Year 4 Continued …..

To round off the half term, the children took part in an unforgettable *Play in a Day* experience. They were fully immersed in Roman life as they acted out scenes including the conquest of countries, Roman battles and the fall of the Roman Empire. It was a wonderful opportunity for the children to bring their learning to life and a truly memorable way to end the term.

We are incredibly proud of everything the children have achieved so far and cannot wait to see what exciting learning opportunities await us next half term!

Well done, Year 4!

Live and Inspire

This week, the children had the wonderful opportunity to enjoy a live performance from Stephanie, a talented harpist who has been playing for over 20 years. Stephanie took the children on a calming storytelling journey through her beautiful harp music, encouraging them to listen carefully for the beat of a cuckoo bird hidden within the melodies.
The children were captivated by the peaceful sounds of the harp and learned all about the instrument, including how Stephanie was inspired to play by her grandmother. They were particularly fascinated (and a little grossed out!) to discover that harp strings were traditionally made from cow intestines! It was a truly inspiring and memorable experience that left both children and staff feeling calm, reflective and full of appreciation for live music. 🎵 ✨

Local Governance Committee Parent Vacancies
We have the opportunity for one parent to join the school's governance committee. Governors make a valuable contribution to school leadership. It is a rewarding volunteer role, working towards a shared goal of providing a high-quality education for children and young people in our community. The role also provides an opportunity for personal development, building skills and experience in areas such as project management and working as part of a senior team.
The Governance Committee meets each term to look at the big picture and support improvement. They are responsible for:

- undertaking induction training and ongoing development
- championing the vision and values of the school and the Trust
- seek assurance to ensure that every pupil has the best possible education, looking at information and evidence and discussing with school leaders
- reviewing progress against school improvement plans and recommendations from external reviews and inspections
- monitor engagement with pupils, staff, parents and the wider community to ensure their views are considered
- monitor compliance, risk and safety

A letter has been sent out with information about how to find out more and how to nominate yourself for the parent governor role. **The deadline for nominations is 12pm on Friday 6th November 2025.**
