Reach For The Stars

Newsletter No. 02 w/c 08/09/25

Dear Parents/Carers,

We are currently recruiting a part time Site Assistant for our school. Please share this with anyone that you think may be interested.

Contract Type: Permanent Part time, term time only (39 weeks per year)

Contract Hours: 10 per week, Monday to Friday 4.30pm – 6.30pm

About the role

We are looking to appoint a Site Assistant who will primarily be responsible for the locking up of the School Site daily, during term time. Other Site Assistant duties will also be required at Hill View Primary with occasional support being provided at Malmesbury Park Primary.

About the successful candidate

You'll be working in a team of highly skilled colleagues who all want the best in site safety and security for the school.

The role is to ensure that the pupils, staff and visitors have a safe and secure site; experience of working in a busy education environment would be an advantage but is not essential. We are looking for people who have the following experience and qualities:

- Team working and building relationships based on mutual respect
- Relevant experience of working in a similar role
- Have the ability to work independently and use own initiative when required
- Be able to display effective communication skills with both children and adults
- Be eager to work collaboratively in a wider team, be adaptable and open to new ideas and practices
- Ensure safe working practises and safeguarding practises are upheld
- Able to deal with change and unpredictability positively with a "can do" attitude.
- Educated to GCSE level in English and Maths

Our school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Rigorous checks will be made of the successful applicant's background credentials, including an enhanced DBS check.

Timmy Failure – Mistakes Were Made By Stephen Pastis

Meet Timmy Failure, founder of the "best" detective agency in town – Total Failure, Inc. With the help of his polar bear, Total, the clueless, comically self-confident Timmy already has plans for world domination. Plans that will make his mother rich and unpaid bills a thing of the past. And plans that will defeat Corrina Corrina, "The One Whose Name Shall Not Be Uttered". But she's not going away. Riotously funny, Timmy Failure is sure to have readers in stitches.
