## Reach For The Stars

Newsletter No. 07 w/c 13/10/25

### Year 1 Update

The children in Year 1 have had a great start to the year. Last week we went on a fabulous school trip to Upton Country Park and we were lucky that the sun shone intermittently.

We explored the park and enjoyed hunting for bugs and birds.

The children then used their creative building skills to make some mini dens for the Gruffalo and his friends.

We finished our trip with a lovely walk and even saw some tiny fairy houses! There were some tired children on the coach trip home after a whole day of fresh air.

Thank you to all of our parents and carers that helped on the day to make our trip a success.

## PTFA Update

Hello from the PTFA!

Thanks for all your support with our work to support the school.

Because of your support, we will be starting work to **refresh the Japanese garden area** of the school to make this once again into a lovely space for all the children. We are hoping to include colours and a variety of sensory aspects to the outside space for the benefit of all children (and staff!).

A reminder to all parents/guardians of **Yr 6 children**, please make sure if you would like a **leavers hoodie** for your child(ren) to get your reply slip in before the **23<sup>rd</sup> of October**. Slips can be returned to the class teacher or to the school office. Don't miss out!

Lastly, we have had great success with the **preloved school uniform sales** (see prices in the banner -->). Currently we have lots of shorts and pinafore dresses available, a good selection of shirts and jumpers. Go grab a bargain from the school office and use up your spare change! All proceeds from the sales go straight to supporting the school so all donations of preloved, good condition uniforms are very welcome.

As a reminder, we will be planning some new events at our next meeting on the 10th November at the Crown pub, at 7:30pm. Staff, parents and friends of the school are all welcome, so please come along.

Thank you for your continued support.

## Scooters and bicycles on the premises

Unfortunately, we continue to have a number of unlocked bicycles and scooters left on the playground after drop off in the mornings. This means that some children may access and use them at play times.

To prevent the possibility of any damage to the equipment and injuries to children, it is essential that all bicycles and scooters are securely locked to the "mushrooms" on the playground if you are leaving them on the school premises throughout the school day.

Thank you for your understanding and cooperation.

## The Emperor's Egg – Martin Jenkins

The Emperor penguin is the only large animal to remain on the Antarctic mainland throughout its bitterly inhospitable winter. Once the female has laid her egg, she heads back to the sea, leaving the male to incubate it. He then spends two months standing on the freezing cold ice with the egg on his feet! This is his story.

One of our parents has been selected by the NSPCC to run the TCS London Marathon 2026.

**Kelly's Story**  
 I'm running the TCS London Marathon 2026 for the NSPCC because I believe every child deserves a safe and happy childhood. As a childminder with over 11 years of experience, I've seen firsthand the impact that love, care, and protection can have on a child's life. The NSPCC's vital work protecting children from abuse and neglect resonates deeply with me, and I'm proud to be supporting their mission. With every step I take, I'm helping to raise crucial funds that will make a real difference in the lives of vulnerable children. This charity is close to my heart, and I'm honored to be part of this effort, running for the children and families who need the NSPCC's support.
